Peter Spiess reported on the successful Fourth of July Cocktail Party and thanked all who helped or contributed gifts.

Schedule of events for 2010 include:

July 24	Black Mountain Breakfast
July 31	Day to Remember
August 14	Hoe Down
August 21	Skip Linhart Golf Tournament

The Association, through the efforts of Dennis Davidow, has a new insurance policy on which we pay \$2600 less on premiums.

Gary Hurley reported on the Sewer District meeting. Only five more payments on the capital are due, totaling \$230,000. In the fall the stations will be pumped out. All in all, the system is working well.

With no new business, Kevin closed the meeting at 10:15.
